

**SOHO**CENTRAL EUROPE  
BUDAPEST

2026

The Society of Hematologic Oncology (SOHO) is a non-profit corporation, established in 2012, with aims to promote worldwide research, education, prevention, clinical studies and optimal patient care in all aspects of hematologic malignancies and related disorders. Its annual meetings in September, Houston, are considered prime educational events in the field of hematologic oncology.

As other SOHO meetings, the planned conference will encompass the entire field of hematologic oncology. The following topic blocks are planned:

- AML
- ALL
- Aggressive lymphomas
- Indolent lymphomas
- Hodgkin lymphoma
- Bone marrow failure and PNH
- Multiple myeloma
- Cellular therapies
- Myeloproliferative neoplasms and CML
- CLL

SOHO Central Europe is expected to draw an international audience including haematologists, oncologists, pharmacists etc. from the above listed Central European countries. Following the tradition of SOHO, the meeting is meant to be an educational event, with internationally recognized speakers alongside with our regional experts. The language of the conference is English. All countries in the Central European Region are invited to participate, including: Albania, Bosnia, Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia
